

RED STITCH CHARDONNAY

The 2017 Sierra Mar Chardonnay was recently rated 93 points by Wine Spectator and appeals to those who love the minerality of Burgundian wines while staying true to the ripe, melon fruits so sought after in California Chardonnay.

Wine Spectator - *Openly complex and charming, from the initial burst of zesty black cherry and raspberry flavors to the shades of loamy earth, gravel and cedar. Never loses sight of the fruit purity. Drink now through 2024. The concentrated pear tart and apple pastry flavors are well-structured and graceful, with plenty of cream and meringue accents. Rich buttery notes emerge on the powerful finish, revealing dried herbal and smoky hints. Drink now through 2024. 200 cases made.gh 2030. 250 cases made. 93 points*
